BGKU ACTIVITY REPORT №

Organizing institution (Country)	Borys Grinchenko Kyiv University (Ukraine)
Kind of activity/ event	Training **"Learning from failure"**
Conduction dates	May 31, 2018, classroom №226 (st. M. Tymoshenko, 13-B, Kyiv)
Target group/-s	Teachers and students of the Faculty of Information Technology and Management
Total number of participants	13
Working language	Ukrainian/English
Brief description of the event/activity	The event is aimed at introducing new concepts in enhancing motivation, teamwork, self-development and learning. As part of the training, the participants improved their soft skills, took part in the business game "The Marsh Tower", discussed personal examples of failures and demonstrated the relationship between failures and lessons to be learned from them. The event was prepared and conducted by the senior lecturer of the Department of Computer Science and Mathematical Sciences Gladun M.A. to exchange experience after studying at the University of Science and Technology of the Krakow Mining and Metallurgical Academy named after them. S. Stashitsa (Krakow, Poland) on the international project "Modernization of Pedagogical Higher Education on the Use of Innovative Teaching Tools" (MoPED).
